## Caustic Soda (50%): Lot Number Statement

---

Following is a description of the lot numbering system used by Genesis Alkali at its Green River facility for Sodium Hydroxide Solution, 50%. Each bulk railcar or tank truck receives a lot number as it is filled.

yy-julian date Example: 21-038, packaged on the 38th day of 2021 (February 7, 2021)

The shipping paperwork accompanying the load will have a batch number printed on it. This is an internal Genesis Alkali Corporation number used in production and marketing tracking. There is no customer usable information built into it.

---

Read the product Safety Data Sheet (SDS) prior to using the chemical.
